Greetings from the Australian National University!

I hope you are all doing well and having a great week. We have a few updates for you in this month's newsletter.

1. ANU Campus Life

Amy and I recently visited Canberra and The Australian National University Campus. ANU campus is nestled on 145 hectares of beautifully maintained parklands in Acton – Canberra, Australia's capital city, adjacent to the Central Business District (CBD) and Parliamentary Triangle. The campus is also home to more than 150 buildings featuring state-of-the-art teaching and learning facilities.

We combined all photos/videos and made them available to view/download here: https://cloudstor.aarnet.edu.au/plus/s/r6q5MFZJg7r8OBK

We hope you all enjoy watching it. Please also feel free to share the link with your students.

2. ANU Facts and Scholarship Flyer

We are pleased to share our latest flyer, listing all the unique things about ANU and our Chancellor's International Scholarship information . Please feel free to pass it on to your students and do let us know if you need some hard copies to display in our office.

3. ANU College of Business and Economics (CBE) Virtual Tour

What's more? The ANU College of Business and Economics also launched a Virtual Tour. Via the below link, you can explore the whole campus, CBE buildings, study areas and so on. Please kindly share this virtual tour with your students, as it would help them to imagine how massive and modern our Australian National University campus is in Canberra.
